Venue Description

ARKFELD ACRES will host race #1 of the Nebraska Interscholastic Cycling League 2021 season. With an uphill start, riders will race for the hole shot as the course dives onto the single track at the top of the hill. Then it's a roller coaster riding on purpose built trails through the beautiful tree-lined farm land at Arkfeld Acres. Plenty of passing opportunities open up on this course as racers alternate between tree-lined singletrack trail and open areas all while giving spectators plenty of chances to cheer on their favorite racers.

Areas off-limits to event attendees

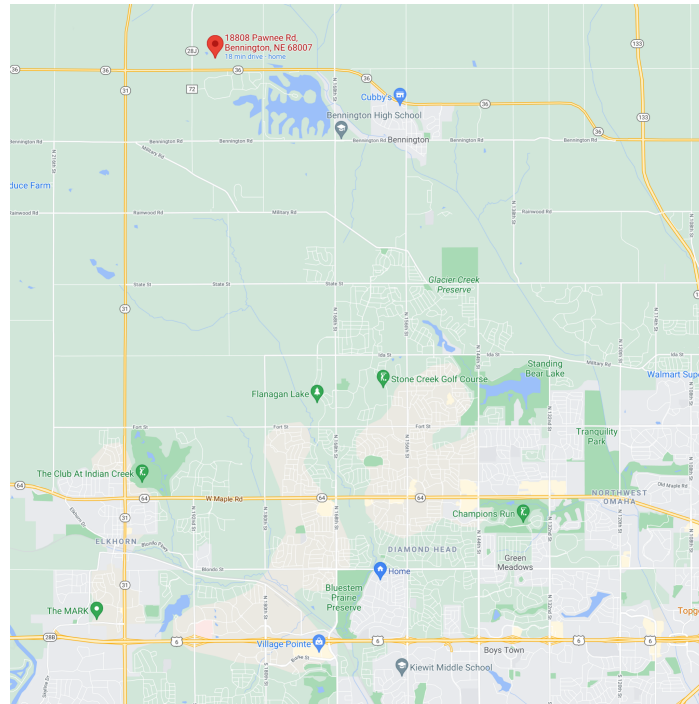

During the event weekend, **both houses and the No Coast Bike Park are off-limits to ALL event attendees**, including NICA student-athletes and coaches, in an effort to reduce our impact to the property and/or injuries.

Refund/Weather Policy

Below are the guidelines for how the league will conduct races in the event of challenging weather. Our primary considerations are the safety of riders, support staff and spectators, and potential damage to the venue and trails. Any decisions regarding canceling, postponing or altering race start times, lap lengths, number of laps, etc. will be made jointly by league staff and the land manager. Often this decision cannot be made until the morning of the race due to the unpredictable and rapidly changing nature of severe weather. The league will make every attempt to notify the racing population as

NICA

soon as possible via email, social media and website updates. Please review our full weather policy at: [NEBRASKA LEAGUE REFUND & WEATHER POLICY](#)

Handbook: Nebraska Interscholastic Cycling League Policies and Rules

All participants are required to read, understand and abide by all league policies, rules and protocols while attending any league event.

Nebraska Interscholastic Cycling League NICA Race Duration Guidelines

Riders will complete laps with the following Race Duration Guidelines for each category:

- <45 mins for Middle School
- 45-90 mins for Frosh/Soph boys and girls & and JV girls
- 60-100 mins for JV boys and Varsity girls
- 90-120 mins for Varsity boys

Student-athletes may be asked to withdraw at the finish line after cut off time limits have been reached.

Race officials reserve the right to determine these time limits at any time.

Time limits may be imposed for reasons that include, among others: safety, heat, cold, rain, and muddy conditions.

NICA

Course closures may be announced at any time.

Racers who do not make the time limit cut-off will still be scored and ranked.

Due to weather or course closures, these duration guidelines may be changed at League Discretion.

Coaches Meeting
