## Venue Description

**BRANCHED OAK AREA 7** will host race #4, the final race of the Nebraska Interscholastic Cycling League 2021 season. The course starts with a slightly uphill start for riders to vie for positioning before dropping into the singletrack. From there, riders will traverse up and down the rooty, windy single track. There are plenty of places to pass as the trail is fairly wide in many spots. Riders will finish on a flat grassy section near the beginning of the start point.

### HALLOWEEN COSTUME CONTEST

We will have a COSTUME CONTEST during Saturday's pre-ride! Get crafty but remember to keep it safe (no capes, etc.). Prizes will go to "Best Overall" and "Most Original" student-athlete costumes. ALL are invited to participate!

- NICA Category Placement is described in section [6.1B of the NICA Handbook](#).
  - MS Athletes may only petition within MS Categories and HS Athletes may only petition within HS Categories. This is aligned with the NICA Handbook, Nebraska State Law and Nebraska School Activities Association
- Great tips on considerations via [NICA Coaches News #7 July](#)

### Deadlines for petition for exemption to category placement:

- Final opportunity for petitions (will not receive personalized plate) - **Sunday, October 17th by Midnight**

## Refund/Weather Policy

Below are the guidelines for how the league will conduct races in the event of challenging weather. Our primary considerations are the safety of riders, support staff and spectators, and potential damage to the venue and trails. Any decisions regarding canceling, postponing or altering race start times, lap lengths, number of laps, etc. will be made jointly by league staff and the land manager. Often this decision cannot be

made until the morning of the race due to the unpredictable and rapidly changing nature of severe weather. The league will make every attempt to notify the racing population as soon as possible via email, social media and website updates. Please review our full weather policy at: [NEBRASKA LEAGUE REFUND & WEATHER POLICY](#)

## Handbook: Nebraska Interscholastic Cycling League Policies and Rules

All participants are required to read, understand and abide by all league policies, rules and protocols while attending any league event.

## Nebraska Interscholastic Cycling League NICA Race Duration Guidelines

Riders will complete laps with the following Race Duration Guidelines for each category:

- <45 mins for Middle School
- 45-90 mins for Frosh/Soph boys and girls & and JV girls
- 60-100 mins for JV boys and Varsity girls
- 90-120 mins for Varsity boys

# NICA

Student-athletes may be asked to withdraw at the finish line after cut off time limits have been reached. Race officials reserve the right to determine these time limits at any time. Time limits may be imposed for reasons that include, among others: safety, heat, cold, rain, and muddy conditions.

Course closures may be announced at any time. Racers who do not make the time limit cut-off will still be scored and ranked.

Due to weather or course closures, these duration guidelines may be changed at League Discretion.

## Coaches Meeting

A mandatory head coaches meeting will be held **Sunday, October 23rd at 8:30 AM at the Start/Finish Arch**. Each team must have 1 representative present at the meeting.
